

# Unlock your potential

## Find training, support and advice to gain the skills you need for the job you want

### What are Skills Bootcamps?

Skills Bootcamps are part of the Government's Lifetime Skills Guarantee, helping everyone gain skills for life, funded through the Department of Work and Pensions and are free (to the learner). Driven by employers' needs within our region, the aim is to bridge existing skills gaps and address recruitment needs by providing flexible, intensive training programmes.

### Who is eligible?

Anyone who is 19+ in full-time or part-time employment, self-employed, unemployed, or adults returning to work after a break. Learners who are applying independently can access the Skills Bootcamps fully funded. If you are unemployed, you will be offered a guaranteed interview with an employer at the end of your programme. For employers looking to upskill their existing staff to take on more responsibilities, a small employer contribution is charged:

- SMEs 10%
- Larger employers (250+ staff) 30%

**Skills Bootcamps last from 60 hours up to 16 weeks and have been designed to offer flexible training that works around learners' commitments.**
